Forecast For Orkney & Shetland
Issued by Met Office Aberdeen
at 0400 on Monday 19 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry, quite bright, but mist and drizzle later.

Today:
Dry in the morning and early afternoon, a little brightness possible especially across Orkney. Low cloud and some patchy drizzle spreading from the west through the afternoon with some fog patches developing. Mainly light winds. Maximum temperature 17 deg C (63 deg F).

Tonight:
A dull misty evening with a little drizzle and extensive fog over high ground and western coasts. The mist lifting overnight though staying cloudy. Moderate west or northwest breeze. Minimum temperature 11 deg C (52 deg F).

Tuesday:
A rather cloudy day but it will be dry with the cloud breaking to allow a few sunny intervals, more especially over Orkney. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:
Mostly cloudy and generally dry, a little patchy drizzle and mist at times though mainly over Shetland. Some sunnier interludes. Light winds.
